Kats To Meet Frankfort Nine On Wednesday

Dillman To Hurl In Fifth Game

Kokomo's much-rained-out Wildcat baseball team is slated to swing back into action again Wednesday afternoon at Highland park, meeting the Frankfort Hot Dogs.

With a record of four wins and three defeats in North Central conference competition, the Kats will be making an effort to get back in the win side of the ledger after dropping two in a row.

In games with Lafayette and Tech, the Kokomo lads bowed, 3-2 and 4-0.

Wednesday afternoon Lloyd Dillman is slated to take the mound for the starting assignment. It will be his fifth start of the season with a record of two won and two lost. The grinning senior righthander started the season with a loss to the Muncie Bearcats, won at Logansport, lost to Lafayette and came back to even his record with a victory over Marion.

One of three rained out games has been rescheduled for Thursday, May 30, at Highland park with New Castle. The tilt is slated for 2 p. m. Two other games have been postponed because of rain. A game with Marion has not been reset and one at Frankfort—to have been played under the lights last Friday night—may be dropped.

Athletic Director Chester Hill said Tuesday that Frankfort's schedule is jammed and that game may be dropped from the 1946 card.

A four-man team of Kokomo golfers, led by Pro Bob Grant from the country club, turned in a good round at Logansport Monday in the weekly northern Indiana P. G. A. tourney, and landed in second place.

The Kokomo quartet shot a best ball of 68—one stroke short of the 67 posted by a South Bend team for first money. Par over the municipal course is 72.

Playing with Grant was Ralph Walker, Jim Young and Walt McStridge. Eighteen teams played.

Claude Passeau Clinches 6-4 Cub Win Over Trailing Boston Braves

Boston, May 20—(AP)—A one-on-homer by Claude Passeau, veteran Chicago Cub righthander, Monday night clinched a 6-4 victory over the Boston Braves before a 20,713 paid crowd. Passeau, who gave seven hits, had to retire when the Tribesmen threatened in the ninth inning.

While getting underway to take the odd tilt of the three-game series, the Cubs whaled Mort Cooper out of the box by blasting him for five runs on six hits during the first inning and a third.

Cooper was yanked for Ed Wright after the 37-year-old Passeau poled a homer over the left field wall with Billy Jurgens on base. The later had singled in Mickey Livingston with the Cubs' third run.

Cooper had opened the game by retiring the first two batters. Then Peanuts Lowrey singled, Phil Cavaretta doubled to right and Andy Pafko connected safely to set up the first pair of Chicago tallies in the first inning.

Passeau got off to a ragged start, for Connie Ryan, the Brave's lead off, blasted him for a double.

Two walks, an error and Carden Gillenwater's double play grounder enabled two Boston runners to score and the initial session was closed in a 2-2 deadlock.

Passeau was knicked for a third run in the eighth, when pinchhitter Chuck Workman doubled and Ray Sanders singled.

After the first three batters jammed the bases on three hits in a

row in the ninth, Lefty Bob Chipman came in and choked off the Braves' last minute rally at the cost of only one additional run.

Passeau, Chipman (9) and Livingston; Cooker, Wright (2), Posedel (9) and Hofferth.

Dodgers Edge Reds

New York, May 20—(AP)—The Brooklyn Dodgers combined Vic Lombardi's steady pitching with extra base hitting and Cincinnati errors Monday night to defeat the Reds and Bucky Walters, 4 to 3. It was Lombardi's fifth victory. He has lost two.

The Dodgers broke a 1-1 tie in the second inning when Ed Stevens clouted Walters for a home run. The Brooks clinched the contest with two tallies in the fourth.

Cincinnati pecked away at Lombardi for single runs in the fifth and eighth innings but the little southpaw bore down in the pinches and kept the Reds from tying up the game.

The victory moved the Dodgers to within a half-game of the pace-setting St. Louis Cardinals who were idle.

Senators Take Third Straight For White Sox

Cleveland, May 20—(AP)—Cleveland beat the New York Yankees at their own game Monday as Ken Keltner belted his sixth home run of the year in the ninth inning for a 4-3 victory after Nick Etten and Bill Dickey had bashed round trippers to tie the score in their half of the final frame.

All three Yank scores resulted from homers. Etten also had smashed one of Steve Gromek's pitches over the right field barrier in the second inning.

Marius Russo, making his first start since the 1943 world series, blanked the Tribe for five innings before he retired. Clarence Marshall took over in the sixth and walked Dutch Meyer and gave pinch-hitter Hank Edwards a single before Jake Wade came in to pass pinch-hitter Gene Woodling, loading the bases. Manager Lou Boudreau bounced a single off the glove of Al Gettel, scoring Meyer and Mickey Rocco walked to force in a second tally.

The Indians picked up another score on Bill Zuber who relieved in the eighth, on a walk to Gromek, Boudreau's sacrifice and Buster Mills' single.

After Etten and Dickey hit successive homers over the right field wall to tie in the ninth, Keltner connected with a Zuber pitch to break it up in the home half.

Senators Down Sox

Chicago, May 20—(AP)—The Chicago White Sox outlit the Washington Senators Monday but lost 10 to 2, for their tenth loss in the last 12 games.

Dutch Leonard, who beat the Sox six times last season, won his fourth game of the season while the Senators were making ten hits off Edgar Smith, Frank Papish and Ralph Hamner.

Leonard scattered the 11 Sox hits and held them scoreless until the eighth inning when Wright and Platt hit homers.

The Senators scored five of their ten runs in the second and third innings against Smith, with Leonard himself driving in two with a single to center in the second.

DEDICATION

In the year of our Lord, Nineteen Hundred and Fifty, we dedicate our annual, JACKSON SCHOOL "DAZE", to all teachers past and present, and to those who have made our education possible.

The Class of 1950, especially, dedicates this annual to Mr. Lockhart. He came to our community the year we entered grade school. During the years, he has been a familiar figure in many community, 4-H, and school activities. We have learned to appreciate and admire his philosophy of life.

HOME ECONOMICS CLUB

After the Civil War, Land Grant Colleges were established throughout the United States. Purdue University was chosen for Indiana and three branches were designated: Resident, Research, and Extension. The Extension Service's job is "to take the College out to the folk." The Farmers Institute was the first method used. Requests were made by farm women of Indiana for more work of this kind. Since 1910 there has been 1,165 Home Economic Extension Clubs organized in Indiana.

The Jackson Township Home Economic Club was organized in 1934 with eighteen members. In the 1950 Club there are forty-eight members. Officers are:

President.....Mrs. James Rust
Vice President.....Mrs. Miller Winegardner
Secretary & Treasurer.....Mrs. Richard Slaughter

The theme for this year is "Indiana." We are endeavoring to:

- (1) Learn more of our own State,
- (2) Participate in the Home Economics Extension work of Purdue University,
- (3) Receive information relating to family home and community life and make use of it.

What do you think:

"AIN'T GOD GOOD TO INDIANA"

FARM BUREAU

BE CAREFUL — THE LIFE YOU SAVE MAY BE YOUR OWN

This is the Safety Slogan being used by the Indiana Farm Bureau Members for the year 1950.

Through the medium of township, county and district Farm Bureau meetings, the "Grass root" ideas of Farm Bureau members are carried through the State Organization to the American Farm Bureau Federation.

With meetings held on the second Tuesday evening of each month, our local unit strives to bring worthwhile information and sociability to its own membership.

The present officers are:

President.....Robert Johnson
Vice-President.....John Middlesworth
Secretary & Treasurer.....George Harper
S. & E. Leader.....Mrs. Raymond Winger
Asst. S. & E. Leader.....Mrs. George Harper

Jackson Township has received a "Standard Township" award for the past three years. This is based chiefly on membership and well planned programs.

4-H CLUBS

The boys' 4-H Club consists of twenty-seven members this year.

The officers are:

President.....Ronnie Riggs
Vice President.....Donald Powell
Secretary-Treasurer.....Robert Smith
Asst. Sec.-Treas.Donald Arthur
Song Leader.....Larry Seagrave
Health Reporter.....Paul Douglass
News Reporter.....David Bowman

We want to strive this year for a larger enrollment, more projects, more entries in our projects, and more winners in our exhibits.

The girls' 4-H club met February 14, 1950 for a joint party with the boys' club and organized. The following officers were elected:

President.....Roberta Schaaf
Vice President.....Janie Cable
Secretary.....Martha Broo
Treasurer.....Janet Harper
Reporter.....Connie Woodmansee
Song Leader.....Annette Winegardner

There are 21 members.

This year we would like to have more members and have every one finish their projects.

THE SENIORS OF 1950

Our class before long will soon be parting,
 And our own separate lives will then be starting,
 I want to remember my classmates, each and everyone,
 As I knew them in school, when we were having fun.
 I'll remember CHARLIE for his joking and fun-loving ways,
 He'll get along okay and I hope that's the way he stays.
 MARILYN liked to type and work on bookkeeping too,
 If you got in a mess, she was glad to help you.
 Then there was RAMON who was an all round good guy,
 He was a fast talker too, I always wondered why?
 TOM was serious and he studied quite a bit,
 The job of class president was sure a fine fit.
 It was ELLEN who played a trumpet and liked to draw,
 She hated to type stencils worse than any one I ever saw!
 DON teased the girls and looked after the Senior's ice cream,
 He was manager three years for our basketball team.
 Then there's NORMAN who had curly hair, it's true,
 He also played basketball four years and was captain, too.
 It was BETTY who was secretary in our Senior year,
 Her reading the class minutes is something I can still hear.
 DICK has a silly grin, freckles, and red hair,
 He'd laugh at your jokes, even if they were only fair.
 She played the piano a lot, ROBERTA was her name,
 And she studied hard too, but liked to laugh just the same.
 JERRY knew a lot of answers, but that wasn't all,
 He also liked to do experiments in Chemistry lab, I recall.
 CAROLYN sang and played a flute in our band,
 At helping Mrs. Lamb, she was quite a good hand.
 Last and not least, was JOAN W., and a good friend was she,
 It was a funny laugh she had, as silly as it could be.
 MR. CAMERON, our sponsor, was always there,
 We hope we weren't too much for him to bear.
 Oh, those class meetings we had were a sight!
 Sometimes they went as far as to end in a fight.
 Our parties were something else to recall with a smile,
 If they did turn out okay, then they weren't our style.
 But all in all, we had some swell times together, I know!
 We liked each other, although we never let it show!
 Why, I wouldn't trade my classmates for any others, not me!
 Sure, and we'll remember each other wherever we may be.
 We're a bunch who really have got along nifty,
 The graduating class of 1950.

CLASS HISTORY

Way back in 1946 fifteen students entered the freshman class of Jackson. Ready and willing, they consisted of Bob Brough, Tom Pyke, Don Hainlen, Jerry Rhoades, Norman Stockberger, Ramon Dill, Dick Summers, Charles Hazlett, Joan Winger, Carolyn Rudy, Marilyn Shockley, Betty Boswell, Roberta Warnock, Ellen Douglass, and Joan Kendall. Our class organized, electing Tom Pyke, president; Jerry Rhoades, vice president; Dick Summers, treasurer; and Betty Boswell, secretary. Miss Mary Martin was chosen as our sponsor.

After a dreaded initiation given by the sophomores, the class felt as if they could face anything.

At the beginning of our sophomore year our class was the same as during the freshman year. Mr. Miller was chosen as sponsor and class officers were elected as follows: Tom Pyke, president; Joan Winger, vice president; Carolyn Rudy, treasurer; Joan Kendall, secretary. This year it was our turn to initiate the freshmen, which we were glad to do. One of the most important things this year was the ordering and receiving of our class rings. A few days after school was out, the class took a trip to Turkey Run, which everyone enjoyed.

Our junior year found us losing one of our members, Bob Brough, and gaining one, Dorothy Baker. We chose Mr. Miller for our sponsor again, and elected these officers: Tom Pyke, president; Joan Kendall, vice-president; Norman Stockber-

ger, treasurer; and Jerry Rhoades, secretary. This year we chose class colors, red and beige. We sent for and received our class sweaters. The main event of the year was our junior play, which was "The Angell Brats" and was presented April 5 and April 6. To end the year we again took a trip to Turkey Run.

At last we have become dignified Seniors! It also means our last year of high school. We lost one member of our class, Dorothy Baker, and have fourteen remaining Seniors, these being: Don Hainlen, Carolyn Rudy, Joan Winger, Betty Boswell, Ellen Douglass, Ramon Dill, Dick Summers, Marilyn Shockley, Roberta Warnock, Norman Stockberger, Tom Pyke, Charles Hazlett, Joan Kendall, and Jerry Rhoades. The class was organized the first day of school. Officers were: Tom Pyke, president; Joan Kendall, vice-president; Betty Boswell, secretary, and Roberta Warnock, treasurer. Mr. Cameron was chosen for sponsor. On October 20 and 21, we presented our Senior play, "Whoa Auntie." October 29 we sponsored a Halloween Carnival, with each of the classes having booths.

Another headache of the Senior year is the putting out of the school paper and annual, but we all think they are very worthwhile.

After our long awaited class trip, Baccalaureate, and Commencement, our school days have come to an end. Whether we are sad or glad, we'll long remember our days at dear old J. H. S.

CLASS PROPHECY

WHAT: Class Reunion

WHO: Senior Class of 1950

DATE: July 16, 1965

TIME: 12:00 P. M.

PLACE: Jackson Community Park, located near the Jackson Coliseum, where the 1964 Basketball Semi-finals were held.

Yes, it's really true, the whole class has met for a class reunion.

After a large dinner, we decided to find out what our classmates are doing at the present time.

First, we saw Norman, his wife, and five boys. He finally got a basketball team! He informed us he was coach at Jackson and his team has won the state finals for the last three years.

Sitting next to Norman was Don Hainlen, a successful fruitgrower. For the past 10 years, Don has been shipping fruit all over the United States and to the far distant corners of the world. We see he has remained a bachelor through all these years.

Coming towards us just then, were Tom and Roberta, who are following the footsteps of Marie and Pierre Curie. Married during their third year of college they discovered a new element which is used in the hydrogen bomb. Being too busy with their careers, they only have two boys, age 8 and 10.

Moving on, we noticed a flashily dressed playboy. To our surprise, it was Ramon! It seemed soon after he was married he discovered oil in his backyard. He invited us to drop in at his mansion outside New Orleans anytime.

Busily engaged in conversation were the two Joans, both of whom were married. The former Joan Kendall had travelled from New York with her husband, to attend the reunion. She is the principal illustrator for Charm magazine and runs

a Fashion Shop on Fifth Avenue. Joan Winger informed us she went to college and is now a storyteller on station JWZZ. She has been married 11 years and has three children, two girls and a boy.

From San Francisco, the distinguished music conductor, Dick Summers, said he took time out from his musical tour to be with his old classmates again. After studying at a music conservatory for six years, he became the leader of his own orchestra.

Holding a pair of twins on her lap was Marilyn. For two years after graduation, she tried her luck in the business world but found that being a housewife was more interesting.

Sitting next to Marilyn was Ellen, her husband, and seven children. They run a chicken farm in the suburbs of Sycamore. The children help out a great deal.

The owner of the chartruse convertible, we learned, was Charles Hazlett. He began his career working at an automobile plate at Plevna and is now owner and manufacturer of the "Hazlett Special," a jet-propelled job.

Everoyne was asking for a song from Carolyn. For ten years, she studied voice in the United States and Italy, and is now singing at the Metropolitan Opera House. She and her husband travelled from New York with Joan Kendall and her husband.

After Betty graduated, she went to Florida where she took up interior decorating. She told us she has designed the interior of hotels in many of Florida's famous resorts.

Last, but not least, we talked to Jerry. He said he has worked on television for the past 13 years and owns a large station at Sycamore.

It was certainly good to talk to all of our old classmates again and recall old times together. The reunion was enjoyed so much, we decided to have another one in 1980.

I, Ramon Dill, being glad to get out of school, will my height to Dale Kendall, my yelling ability to Bob Roach, my voice to Larry Stanger, and my first chair in band to Dewayne Baldwin.

I, Richard Keith Summers, unhappy to be leaving dear old J. H. S., do hereby bequeath my chair in band to anyone who learns the saxophone, my soft spoken voice to Lucille Ozenbaugh, my ability as yell-leader to David Bowman, and boyish figure to Bob Roach.

I, Betty Jean Boswell, with sound mind and happy heart, do hereby will my Alto Sax chair in band to anyone wanting it, being secretary to the Senior Class to Harold Broo, and my blue shoes to Roberta Schaaf since she has a green coat to go with them.

I, Carolyn Rudy, with sound mind and happy heart, do hereby will my ability to play the flute to Janie Cable, my singing talent to anyone who can use it, my long fingernails to Coleen Hainlen, and my ability to get on the Honor Roll each grading period to Amos Kelly.

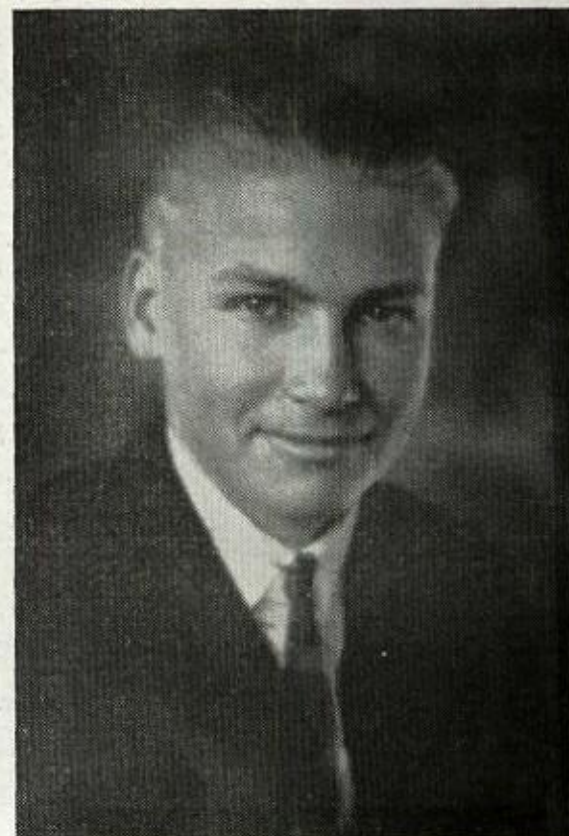

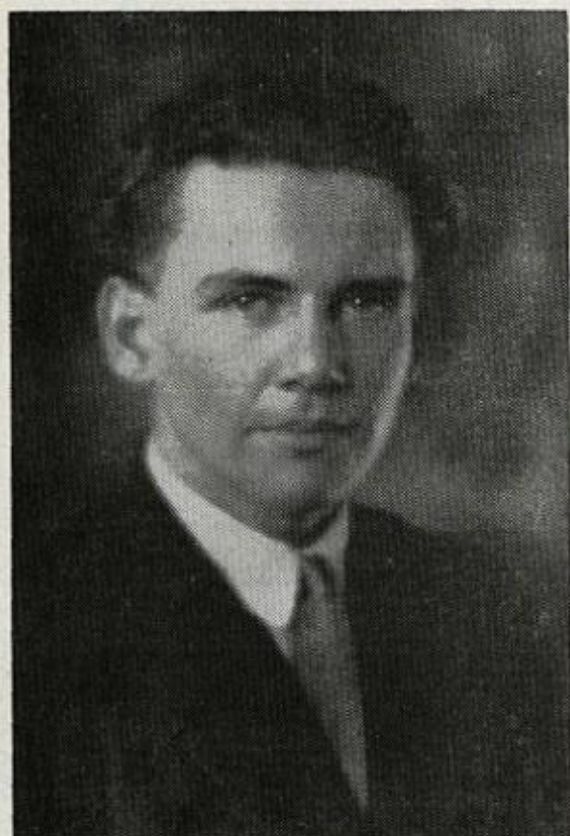

I, Tom Pyke, minus appendix and tonsils, will to Dewayne Baldwin the right to be President of the class for four years, my ability to fall off chairs to Bob Pugh, and my A's to Gene Hainlen.
